## About the School

Established in the year 2003, Eklavya Foundation is striving to provide Quality Education and World-Class Education Facilities to nurture the pleasures of Learning and Discovery. The Aim is to Facilitate the Growth of a Child be it Social, Psychological, Intellectual, Emotional, or Spiritual. To fulfill the aim, it is necessary to provide our children with a strong base and hence, Eklavya Foundation has targeted Pre-primary, Primary, Secondary and Higher Secondary Sections.

The Initial Establishments started with **Kids' Kingdom** (Pre-primary Section) in the year 2002-03. Later on, **Eklavya Public School** ventured into Primary Section in 2004-05 and Secondary and Higher Secondary Sections in 2006-07.

## A Unique Maths Lab

A state - of - art Maths Lab for students from Pre Primary to Std.12th, first of its kind in entire saurashtra. It opens mental horizons of geometrical, algebraic and trigonometric concepts. It develops three pillars of Mathematical learning - Imagine, Investigate and Interrupt.

## Teacher's Training

To update the knowledge of the Teachers and to acquaint them with the new innovations in the field of education, at EPS regular Teacher's Training Workshops are arranged where apart from the Principal of the School the experts from the different field are also invited to impart training in the respective subjects.

## Multiple Intelligence

No Individual is alike Different individuals learn in different ways. **Eklavya Public School & Kids' Kingdom** apply multiple Intelligence theory in their class room in order to facilitate the learning of all the students.

## Learning the Playway

Launched in 2002-03, the Pre-primary Section **Kids' Kingdom** groomed because of Quality Education and Innovative Playway Teaching-Learning Process. Gradually, the Foundation had won the Trust of the people at large and so, there was a demand for **Swapanalok** for the Kids of 2 years. Happy, Satisfied and Motivated with the First Two establishments, the Foundation decided to venture into Primary, Secondary and Higher Secondary Education.

Started with a mere students strength of 90 in the year 2002-03, the **Kids' Kingdom** functions on the combined Methodology of Montessori and Kindergarten. The Aim is to recognize learning, listening, reading and writing skills of the Kids. As a part of the Innovative Teaching Methodology, Educational Toys, Different Projects, Puppet Shows, OHP and LCD Projectors are provided.
