

## Principal's Message

Dear Readers,

This is the third and final edition of the in-house journal that has reached you. This is the last quarter period of the academic year when we say good bye to it and welcome the new one, after the summer vacation. There would then be new faces, new events, new activities and perhaps a more refreshing atmosphere. Yet the spirit of enthusiasm and eagerness among the students would prevail, as always. The final quarter period of the present year was eventful. The tiny-tots (never underestimate them, they can always throw up surprises and wonders when we least expect them to do so) were an active and animated lot. The Sports Day event took place on 4 March. Watching children playing is in itself energizing and refreshing. But the kids were in full gear that day when they took part in various sporting events. The cries of cheer and applause from parents and friends added to the atmosphere of the event, making it memorable. Another magnificent event was the Graduation Ceremony of Kids' Kingdom, which took place on 8 April. It was a joyous sight to see children showing their abilities in the various items in which they took part, in an amazing way. See and enjoy the pictures and photos of both the events.

I hope that you have enjoyed in going through the previous two editions of the Newsletter brought out this year. I am sure that you would enjoy in flipping through the pages of this edition, too. As before and always, your valuable suggestions & feedback are solicited.

Days are becoming hotter. We need to care of ourselves in order to stay fit and healthy. So by the time the new academic year begins and the Newsletter of the first quarter period is out, till then.....

A Warm good bye!

Cordially yours,  
Mrs. Vijaya Ravi  
(Principal/Editor)
