Evolution of Education in India

OUR VISION

To become a Centre of Excellence imparting Quality Schooling by unfolding the inner Potentialities of Student.

OUR MISSION

To Promote Education with the Scientific Base of Western Era and thereby Widen the Horizons of Indian Culture.

**“We want education by
which character is
formed, strength of
mind is increased, the
intellect is expanded,
and by which one can
stand on one’s own
feet.”**

The Psychology of Student Planning

Planning and organizational skills aren't just for grownups anymore, and that's a good thing. With all the pressure on students to learn more material in less time than ever they need tools to be successful in school.

Having a planner gives students freedom to plan, organize and keep track of their work to be best of their abilities and requirements. This has a dual benefit in that it increases the student's accountability to the commitments planned as well as provides them with a structure that contributes to their success.

Planner reduces stress, increases productivity, easier for parents, easier for teachers and give students a break.

Hope this planner will be a great help for you !

EOY : End of the year Assessment

Story Time

The Fox & the Goat

A Fox fell into a well, and though it was not very deep, he found that he could not get out again. After he had been in the well a long time, a thirsty Goat came by. The Goat thought the Fox had gone down to drink, and so he asked if the water was good.

"The finest in the whole country," said the crafty Fox, "jump in and try it. There is more than enough for both of us."

The thirsty Goat immediately jumped in and began to drink. The Fox just as quickly jumped on the Goat's back and leaped from the tip of the Goat's horns out of the well

The foolish Goat now saw what a plight he had got into, and begged the Fox to help him out. But the Fox was already on his way to the woods

"If you had as much sense as you have beard, old fellow," he said as he ran, "you would have been more cautious about finding a way to get out again before you jumped in."

Look before you leap.
